

HEART AND SOUL RETRIEVERS

Training Contract

This agreement is between Lois Munroe of Heart and Soul Retrievers and

_____ (client)
for the purpose of training the clients retriever. Below are the standard terms applicable to this agreement.

Client agrees to provide paperwork showing proof of a recent fecal sample, and the Bordatella (kennel cough) vaccine from their veterinary clinic.

Client agrees to provide or pay for the administration of monthly heartworm preventative medication.
(Recommended: HeartGard)

Client agrees to provide or pay for the administration of flea and tick medication. (Recommended: Bravecto)

Client agrees to pay for any and all expenses related to emergency and/or routine veterinary visits required for the client's retriever/animal while under the care of Lois Munroe of Heart and Soul Retrievers.

Training fees are to be paid once per month on the same day as the client's dog came into training with Heart and Soul Retrievers. A minimum of 4 months of training is required unless otherwise discussed prior to the beginning of training.

Client understands and agrees that training fees are on a "per month" basis. This means that while client's retriever/dog is in training, the client will be billed for the training month in its entirety regardless if the retriever/dog is taken home for periods of time for whatever reason (except medical reasons). If the client wishes to remove his/her retriever/dog from training at Heart and Soul Retrievers before the minimum 4 month requirement, the remaining months are still to be paid before pick up is allowed.
